

Welcome to Summer Term 2!

Last week at BMCA, we put together a creative project with Design Technology and Food technology – serving cheese platters on D.I.Y planks.

Students have really enjoyed preparing these platters and having them as brunch!

Our Values

“Our ambition and focus are to enable people we care for to fulfil their potential and achieve the brightest futures”.

Food Technology Update

Last two weeks we have had a very active programme with our students from both Key Stage 3 and Key Stage 4. The list of dishes our Food Technology teacher Mr Maurice instructed with included: **Habanero Chicken Curry, Fried Chicken, Chicken Wraps, Fruit Salads and Beef Sausages.**

Art & Design

This week our students have practised mixed media design during their Art and Design lessons.

Below are images of some artwork created by year 10's - where they imitated on to their collaged artwork using different media from colouring pens and pencils to oil pastels:

Day In Politics - Challenge Day

With the help of Skills Builder, we help assist students to dive headfirst into the world of politics, learning about democracy and digital campaigning before setting up their own political party, debating policy points and holding an exciting election in their groups.

This resource will teach our students the following skills:

Last day of school:

Wed 24th July 12:45pm
